Attention: Mr. Jermaine Hannon

Attention: Mr. Ray Sukys

Dear Mr. Hannon and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 39 to the rural non-Metropolitan Planning Organization (MPO) area portion of the California 2013 Federal Statewide Transportation Improvement Program (FSTIP). This modification adds programming capacity in the amount of \$8.009 million that relies on the State's federal programming capacity. The financial plan will be updated to reflect this change in the next formal amendment.

FSTIP Modification #39 amends the following existing projects in the 2013 FSTIP:

State and Transit Elements:

Various Counties:

Proj #1: CTIPS ID 230-0000-0266, Grouped Project for Pavement Resurfacing and/or Rehabilitation – Highway Maintenance Program – increases total funding by \$4.189 million in Federal Fiscal Year (FFY) 14/15 and revises the detailed backup listing.

Proj #2: CTIPS ID 230-0000-0361, Grouped Project for Transit Capital Assistance (FTA 5311) – increases total funding by \$524,000 in FFY 14/15 and revises the detailed backup listing.

Proj #3: CTIPS ID 230-0000-0241, Grouped Project for Transit Operating Assistance (FTA 5311) – increases total funding by \$1.496 million in FFY 14/15 and revises the detailed backup listing.

Proj #4: CTIPS ID 230-0000-0029, Grouped Project for Emergency Repair – SHOPP Emergency Response – increases the total funding by \$1.8 million in FFY 14/15 and revises the detailed backup listing.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2013 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
